It should also be noted that Mr. Basavaya is more than 35 years old 13 Whether anything should or can be done for him may I think be decided at a meeting. The Dewan Sahib

to the Government of Mysore.

Dear sir,

Permit me to bring to your kind notice D.O. letters No.2773 dated the 14th September 1911 and No.3142 dated the 3rd February 1912, from the Dewan's office, and in this connection I shall feel much obliged if you will kindly let me know, when the opportunity referred to in the 2nd letter is likely to araise, as I find, that any further dilatoriness will effect my practice, perticularly, as the matter has been published in certain News-papers of the State finding circulation in the Madras Presidency,

I shall feel highly thankful if you will be pleased to give me the benefit of H.H. The Maharaja's kind intentions at an early date, as I have accepted the offer, though at some sacrifice, the order to obey His Highness'

commands.

I remain,

Dear sir,

Yours obediently,

OFFICE OF THE PRIVATE SECRETARY TO
H. H. THE MAHARAJA OF MYSORE.

DATED Mysore, 21st Febry 191 3

Petition No.952 dated 17th February 1913, from Basavalingappa, Hokthesar, Palace, Mysore, is forwarded, with compliments, to the Dewan of Mysore, Mysore, for favour of disposal, in continuation of this Office D.C No.222 dated 2-2-13.

By Order,

I.C.L.,

Private Secretary.

DIARY No. J2378 952

To

His Highness

Sri Krishnarajendra Wodeyar Bahadur, G.C.S.I.,

Maharaja of Mysore.

May it please your Highness.

The humble memorial of M.Basavalingappa mokthesar -Palace- Mysore.

Most respectfully showeth,

1. That on the 14th September 1911, the Government of Mysore sent D.O. No. 2773 to M. Basava Iya son of the memorialist residing in Bellary, and communicated to him that "his name was proposed for appointment in the Judicial Department of Mysore as a munsif" and was informed to send his application in a form enclosed with the said letter. The form duly filled up was sent with a petition to the Dewansahib on the 26 Sept. 1911 with a prayer that better consideration in the grade of the appointment may be shown to the candidate. A second petition was sent to your Highness on the 31st October 1911 and another by this memorialist in January 1912 to the same effect.

2. That the Dewansahib in D.O. 3142 dated 3rd February 1912 further intimated that your Highness would authorize, the candidate being appointed as a munsif of the last grade when opportunity arises, and asked him to communicate his wishes and inclinations in the matter. Thereupon the candidate on the 10th February 1912 submitted that he felt obliged to sacrifice his practice with a view to obey your Highness commands, and therefore unequivocally accepted the offer.

3. That the Chickmagalore vacancy then existing was otherwise disposed of and the Hole-Narasipur vacancy having arisen subsequently in April 1912, acting arrangement was made and the candidate was deprived a second time of the offer communicated in the above letters of Government.

4. That in this connection, the memorialist begs to bring to your Highness recollection, the kind remarks of your Highness

communicated in the Huzur Secretary's D.O. letter dated 15-5-12 that "the stoppage of the Government house pay of the memorialist may with perfect safety be left in your Highness(kind)hands and that his service will probably not go unrecognised." Another mokthesar under similar circumstances was favoured with an allowance of Rs.25 a month as he was said to be looking after camp duties. The memorialist who has been similarly looking after camp duty during Dusserah, Birthday and other festivities is overlooked. Neither has the memorialist been favoured with the advances pecuniary and other considerations given to similar men in the Palace.

5. That if any of the vacancies now existing in the munsifs or any other of equal grade and prospects in any other department of Government is not given to the candidate, the kind intention of your Highness to provide for an eligible son of an old and trusted servant of your Highness for over 50 years, would be altogether frustrated and the memorialist would be deprived of the benefit of your Highness good intentions for which he is waiting for about a year and a half. The sincerity of the memorialist's attachment and service is a matter more for your Highness appreciation, rather than for narration by the memorialist. His sons therefore deserve some help of your Highness. It is therefore prayed that your Highness will be pleased to see that due effect is given to the courteous desire of your Highness by entertaining the candidate at an early date.

For which act of kindness, your Highness humble memorialist as in duty bound, will ever pray. ——

17/7 3m

Sir,

Referring to your letter J.67 dated 10th July 1914 I have the honour to submit that the Government of Mysore with the knowledge that I had declined to accept the offers of Government of the appointment of a Munsiff in 1902 and subsequently, repeated the offer of a Munsiff in D.O.2773 dated 14th September 1911 and enclosed a form to be filled in and forwarded to Government.

A

While doing so, I have shown to the Government in that form, that I was then overaged and expressed my disinclination to accept Mysore service, if I was not started higher. The Government in D.O. 3142 dated 3rd February '12 with full knowledge of my overage and in possession of the form submitted by me, stated that the Maharaja directed the Dewan to inform me that it was not possible to give me a start higher than a Munsiff (meant to be the Deputy Registrar's place represented to me by Messrs. T. Ananda Rao & H.V. Nanjundayya to fall vacant by the contemplated transfer of the then Deputy Registrar of the Chief Court) and that His Highness would authorise the Dewan to appoint me when an opportunity arises.

E

C

From my petitions to the Maharaja in September 1913, I have briefly communicated my inclinations which show clearly to Government that I have not myself claimed to become a Munsiff. If the Government now desired to pass over the offer made, I personally do not regret not getting a Munsiff's place in Mysore service, and I pray that Government will not regret it either by putting

7

forward an incorrect ground of overage, after a dilatoriness of nearly two and a half years. I further pray that responsible officers in the name of the Government of Mysore will not in future be permitted to make offers not intended to be acted upon by them.

I beg to remain,

Sir,

Replied Sir. Sub Coll 29.9.11.

Your Kind D.O intimating true that the Government of India desires to appoint me in the Judicial service was received on the 20th Sep. as I then returned from Madras to Penukonda after court work. I sincerly thank you and feel much grateful for your Kindness.

But a munsiffy is being offered now from the time of the late Sir Seshadri Iyer by

every successive regime of
the Government. and I trust that
during your time you will give
me an opportunity of realizing
my expectations, and remember
your Kindness all my life as
you have enabled many Tho
men to do. Even in Madras
service, I declined to take up
a municipality till the grade of
appointment I had to take was
settled. I have put 10 years of
active service in the profession
& done some Government work
also in Bellary & Madras
about my connection with the Palace

you know it sufficiently well
Since the days of my childhood
when I used to play in the
Maharaja's Chatram in Mysore
where you resided as the
Palace Controller or Deputy Comm^r
I have eagerly looked up to you
as one that could become
a capable Dewan who values
merit more than anything else
in your Subordinates. and I
now appeal to your sympathy
& support. My work & integrity
may be tried in Mysore service
but I pray you will kindly attend
to the grade of appointment. My

Colleagues at College have jumped
sooner into service and in Rupees
are drawing between 400 & 600 Rs
a month - I can show many instances
while very much my emoluments
are between 250 & 300 Rs. I am
adjusting my work here and hope
to be in Rupees by about the 30th
September. Under these circumstances
I leave the whole question to
your kind handling & do what
is best in the interest of myself &
that of my father

Noted in the Regr of Cancelled Nos No 94

Dear Sir

In reply to your D.O. No. 3142, dated 3rd February 1912 I have the honour to inform, that when I submitted my Memorials on the receipt of your office D.O. No. 2773, dated 14th September 1911, I was making a great sacrifice with a view to serve His Highness' Government in my native country. But as you are not prepared to start me in a proper place; as a loyal subject of the Mysore Government and being tended by the Royal House of Mysore, I am willing to make any sacrifice and serve His Highness Government to the best of my ability. With this object, I accept your offer, however disproportionate it may be with my status and qualification, in the hope that due consideration will be given to my claims when occasion arises and I always feel ready to obey His Highness' Command.

I remain,

Dear Sir,

Yours obediently,
